

SKATE CHURCH

Connecting
Youth.
Transforming
Lives.

Since 2002, Skate Church has been reaching out to skateboarding youth. We share the good news of Jesus Christ through positive mentoring relationships, fun, engaging weekly skateboarding programs, and amazing skate camping experiences.

We want youth in our community to experience life's fullness through their skateboarding experience. Our team of 9 leaders are invested in the lives of many skateboarding youth across the North Shore. Our purpose is to share the gospel through our words, and our very lives as well.
