His Kids

At North Shore Alliance Church

Sunday Mornings

On Sundays all children from birth to Gr. 4 are welcome to join us in our Nursery, Preschool (30+ months) and His Kids (K-4) ministries available at both the 9:00 & 11:00 services.

Our leaders provide a fun and safe time away from their parents as well as teaching and tangibly showing these kids God's love.

First Time to NSAC:

Please come 5 minutes early to sign your children into their classes

About His Kids:

His Kids ministries encompass little ones from birth all the way to grade four. Whether we are showing Christ's love by rocking a newborn to sleep in the nursery or chatting with a child over a slurpee, our mission is to love kids like crazy, to introduce them to Jesus as their personal Lord and Savior and to help them grow as worshippers and world-changers.

His Kids also exists to strengthen and support families in growing their children's personal relationships with God by empowering and partnering with parents while they raise their kids exploring faith at home.

Schedule:

9:00-9:10	Arrival and Settle in
9:10-9:20	Introduction Game
9:20-9:35	Worship through Singing
9:35-9:55	Teaching Bible Story, with Tithing and Prayer
9:55	Break into Small Groups
9:55-10:15	Small Group Activities until Adult Service is over. Parents Pick Up

At His Kids We Value:

Growth: We value reaching and teaching kids through age appropriate Bible-based lessons and meaningful worship. We believe God works to grow kids into worshippers and world-changers.

Relationship: We desire that each child come to experience a life-changing relationship with Jesus. We value small groups where kids have opportunity to relate to their small group leader and other children within the group of familiar faces.

Safety: We believe that safety is vital as families entrust us with their children each week. Therefore, every child's nametag is matched to a parent-identification number, every volunteer is screened and every classroom is checked weekly.

Fun: Kids love fun! We realize that when children have fun at church, they can't wait to come back.

Partnership: We value partnering with the family to disciple and raise your child. We hope each family will be provided tools and supported by the church. In partnering with you, we hope you will join us in serving the Children's Ministry. If you are interested in being a part of the team we are always in need. Please contact us below.
