BOARD OF
ELDERS

Report 2026

“

For by the grace given me I say to every one of you: Do not think of yourself more highly than you ought, but rather think of yourself with sober judgment, in accordance with the faith God has distributed to each of you. For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others. We have different gifts, according to the grace given to each of us. If your gift is prophesying, then prophesy in accordance with your faith; if it is serving, then serve; if it is teaching, then teach; if it is to encourage, then give encouragement; if it is giving, then give generously; if it is to lead, do it diligently; if it is to show mercy, do it cheerfully.

Romans 12: 3-8

”

BOARD OF ELDERS Report 2026

Dear North Shore Alliance Church,

We have come a long way since last year! We remain grateful for God's leadership and His response to the prayers of His church, for His church. He is working amongst us.

It has been a privilege for us to work closely with our Lead Pastor in discerning God's direction and priorities. Pastor John has demonstrated capable leadership and ability to collaborate with the board and staff in developing mission/vision and strategies - as well as in the execution of those strategies. I feel confident in saying that NSAC has turned the corner from surviving to thriving.

Some highlights from the past year include:

- a sense of unity and common direction amongst the Board, Staff and Congregation.
- continued progress on implementing our Direct & Protect governance model - including bringing our bylaws up to date and into compliance with current Alliance Pacific District recommendations.
- new hires in key staff roles, bringing fresh energy & perspectives.
- generous support for the finances of the church including the Care Fund and various missions. And importantly, a clear sense that giving is being done for the right reasons - as an expression of worship & gratitude to God for what He has done for us. This motivation, along with a desire to serve others has been expressed in many conversations with congregants.
- a united & generous response to our appeal for the Lead Pastor Housing project. While at the time of writing we are still subject to housing market volatility, this will enable us to provide assistance when God's time is right.

BOARD OF ELDERS Report 2026

- significant growth in our Sunday service attendance.
- reactivation of our membership process.
- an increased number of baptisms and membership applications.
- launch of the Church Hub Apprenticeship Programme - a training programme for young ministry workers.

Our focus remains on nurturing the culture & conditions for the church to grow through good governance and seeking God's will for us in all decisions. We understand that we are fallible people and that we all bring our imperfections with us into church. However, we take encouragement from the fact that God has repeatedly demonstrated that He loves working through imperfect people to further His purposes.

It has been a pleasure for your board to serve you this year and we can't wait to see what God has in store for North Shore Alliance Church! Please continue to remember us in your prayers.

Dev Hildebrand
Chief Governance Officer

LEAD
PASTOR

Report 2026

This past year has felt less like reinvention and more like a year in which things have come into focus.

What I see among us gives me hope. Our church family is growing in spiritual hunger and commitment. We continue to see people come to faith, return to God, find belonging, and take costly steps in following Jesus. I see people praying with urgency, opening Scripture with expectation, serving with joy, and setting down roots. I want to press that this is not “background activity;” it really is the work of the Spirit. Alongside that work, we have strengthened

staff and leaders, clarified responsibilities, rebuilt ministries, and invested in the next generation.

One of the convictions I have carried through this year is that if we want to build something strong, we have to build deep first. I first heard that from my grandpa, who spent most of his working life as a crane operator and bridge builder. I have thought about his words often this year. While much of this deepening work is not immediately visible on a Sunday morning, it is essential. Healthy ministry requires healthy leaders, practices, and structures capable of sustaining faithful ministry over the long haul.

LEAD PASTOR Report 2026

Perhaps the most important arrival this year has been around philosophy of discipleship. Reaching more people matters deeply, but it cannot be our final measure of faithfulness. The church is not merely called to gather people, but to make disciples. So we are asking not simply, "Are more people coming?" but, "Are we actually helping one another become more like Jesus?" That question will continue to sharpen how we lead ministries, approach pastoral care, develop leaders, and create pathways for anyone who wants to be discipled.

Growth creates pressure. More people require bigger budgets, greater pastoral capacity, stronger leaders, clearer pathways, and sustainable ministry structures. These are good problems, and a challenge for which I think we are ready.

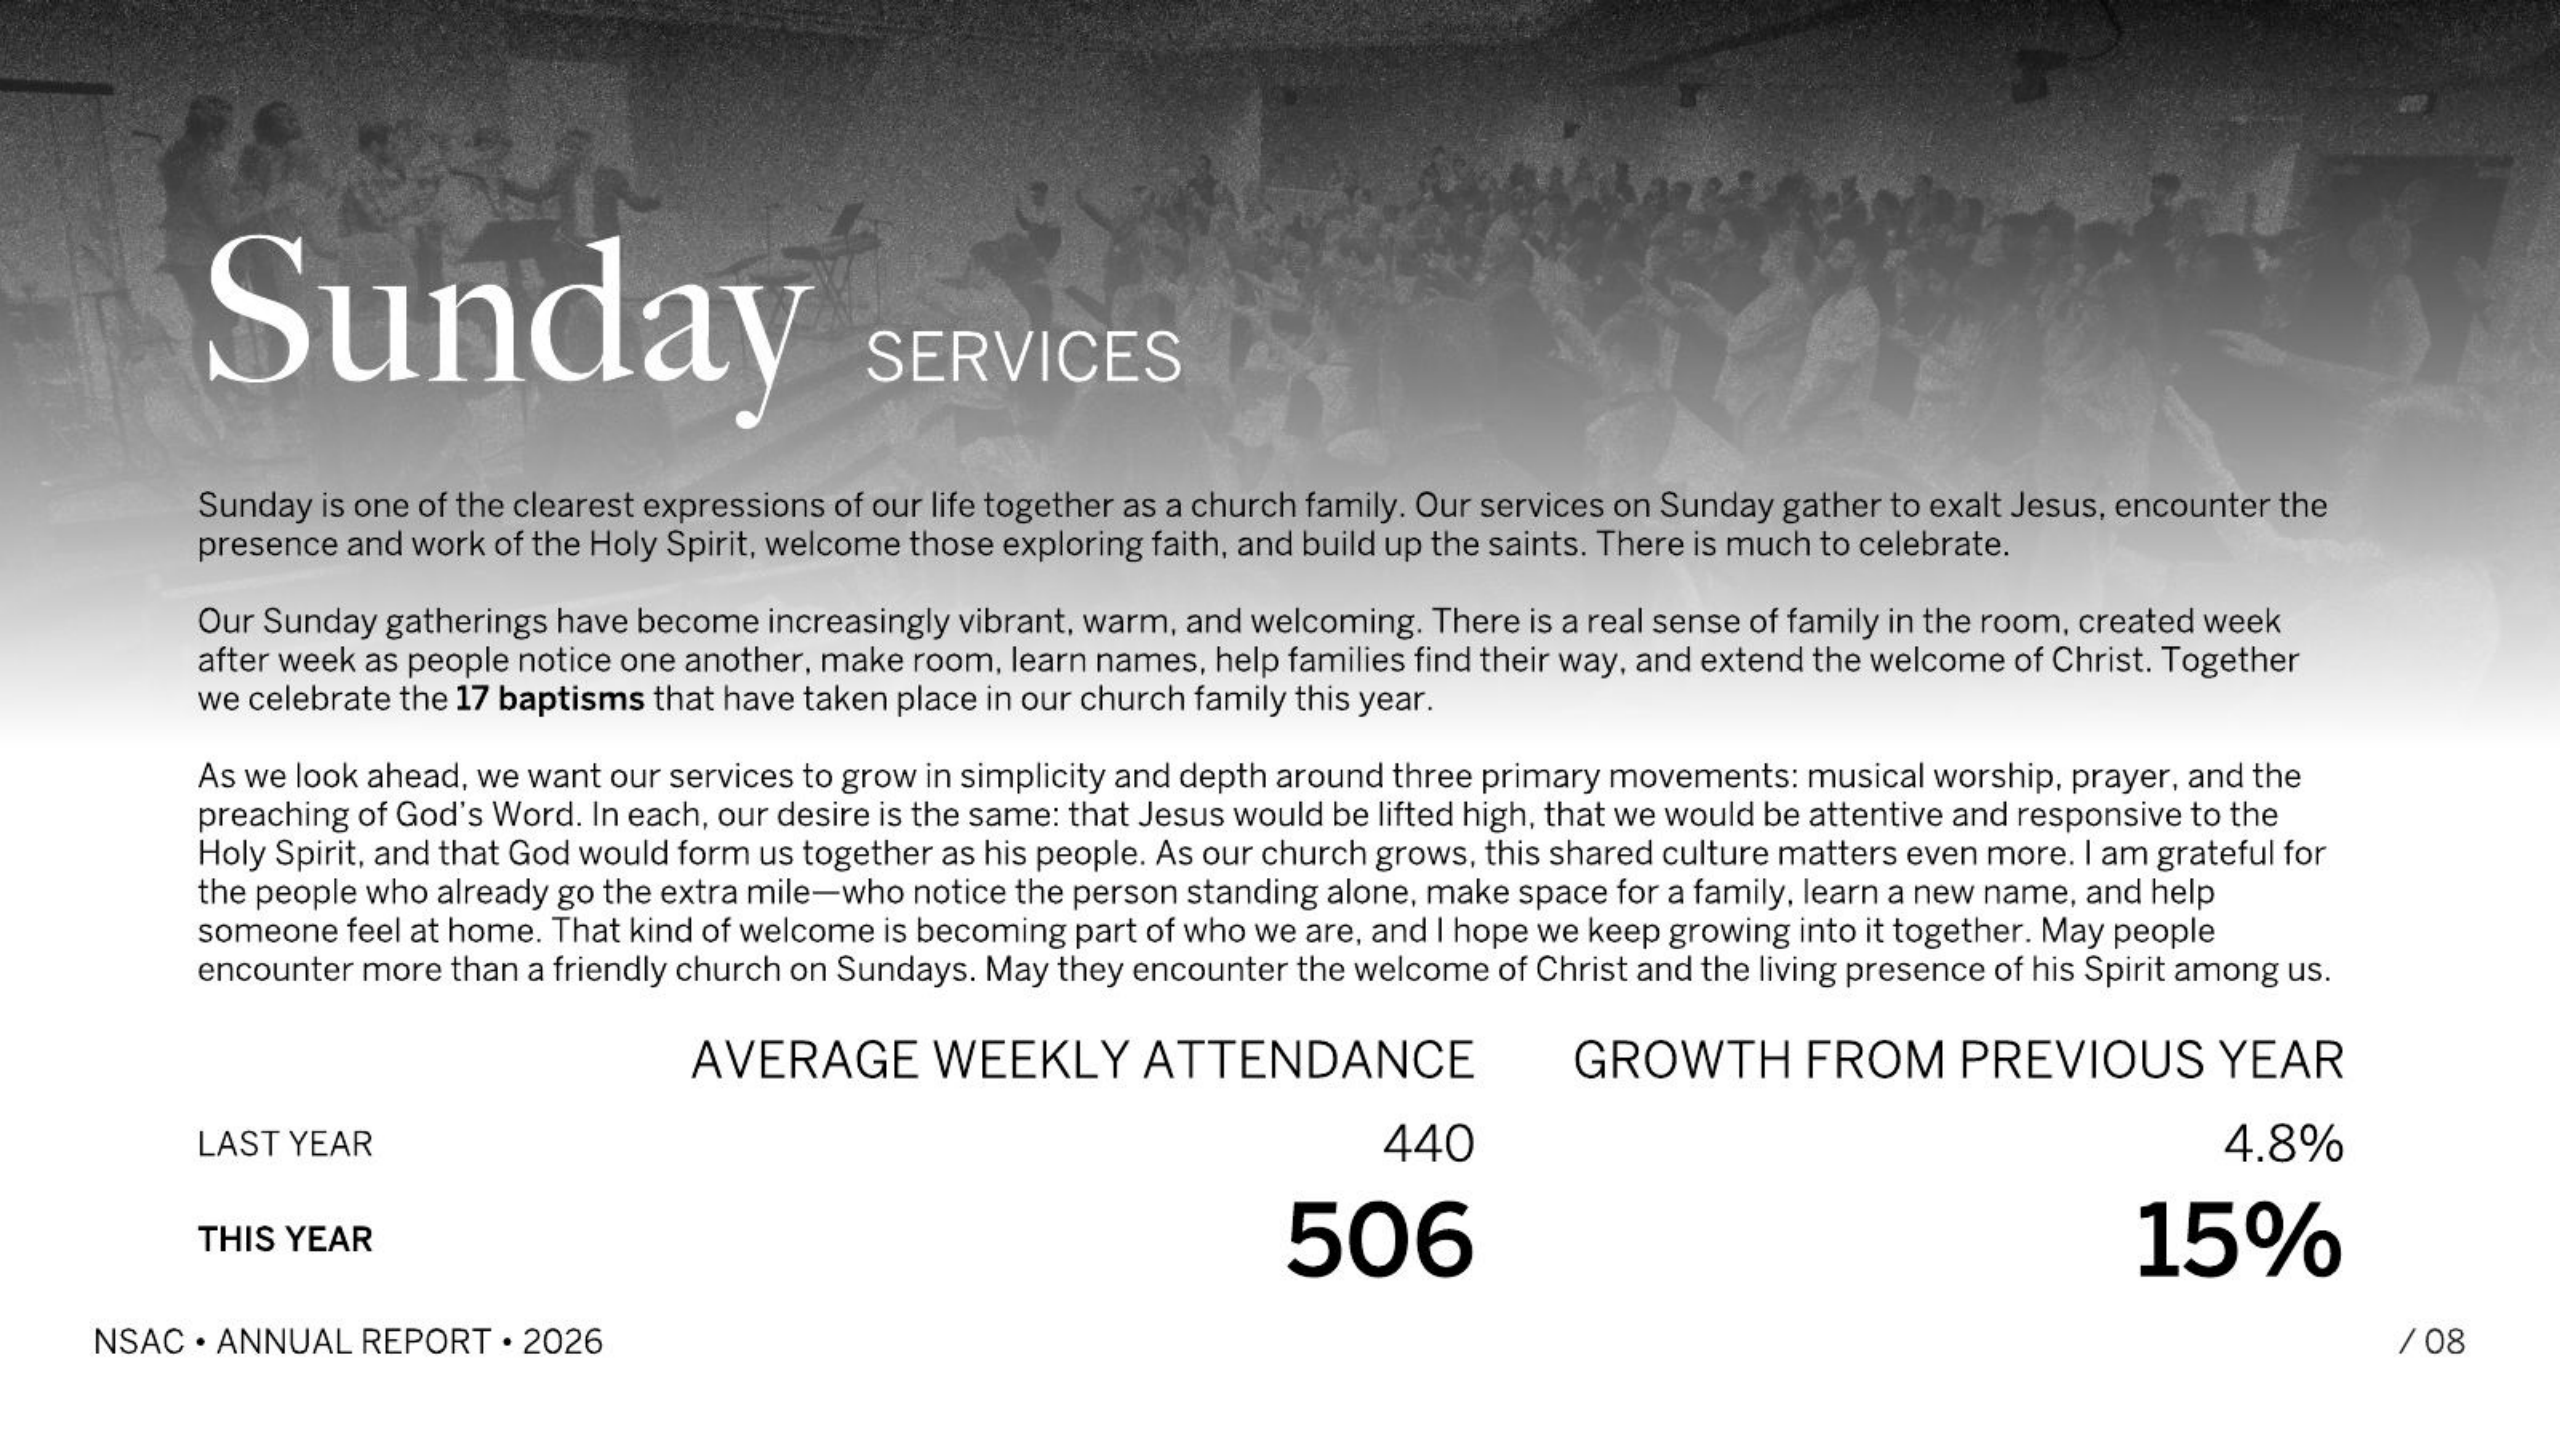

Looking back, I am hopeful for what lies ahead. In Psalm 77, Asaph writes, "I will remember the deeds of the Lord; yes, I will remember your wonders of old." Why remember? Because the same God who moved in the past is the God who will move again. I believe God is inviting us to become clear about who we are in him, to grow deeper in our life with him, and to get ready to go wide in the way we make room for others.

Rev. John A. Fortune
Lead Pastor

Ministry

A group of people, seen from behind, are in a dark setting with their arms raised in the air, suggesting a church service or worship event. The lighting is dim, with some highlights on the people's arms and clothing.

HIGHLIGHTS

Sunday SERVICES

Sunday is one of the clearest expressions of our life together as a church family. Our services on Sunday gather to exalt Jesus, encounter the presence and work of the Holy Spirit, welcome those exploring faith, and build up the saints. There is much to celebrate.

Our Sunday gatherings have become increasingly vibrant, warm, and welcoming. There is a real sense of family in the room, created week after week as people notice one another, make room, learn names, help families find their way, and extend the welcome of Christ. Together we celebrate the **17 baptisms** that have taken place in our church family this year.

As we look ahead, we want our services to grow in simplicity and depth around three primary movements: musical worship, prayer, and the preaching of God's Word. In each, our desire is the same: that Jesus would be lifted high, that we would be attentive and responsive to the Holy Spirit, and that God would form us together as his people. As our church grows, this shared culture matters even more. I am grateful for the people who already go the extra mile—who notice the person standing alone, make space for a family, learn a new name, and help someone feel at home. That kind of welcome is becoming part of who we are, and I hope we keep growing into it together. May people encounter more than a friendly church on Sundays. May they encounter the welcome of Christ and the living presence of his Spirit among us.

Women's MINISTRY

The 2025-2026 ministry year has been filled with the goodness of God and we are so grateful to the Lord for His presence and guidance in our community.

The Connect Women's Ministry spent the fall working through the books of Ruth and Esther and the overall feedback from the study was very good. In the new year we experienced growth in every group, with 60 women registered for a study of Heaven: when faith becomes sight. The wrap up brunch in May was a joy. Each of the 5 groups gave feedback of the highlights they had experienced through the year during the different studies and where they had experienced the hand of God in their lives. The stories were a testament to the work of the Holy Spirit through this ministry and the value

of the connections made among the participants.

Connect at Night also had solid attendance throughout the year with 35 to 40 women coming out to most of our monthly gatherings. The conversation and laughter around the tables is a hum that one is reluctant to interrupt! We are grateful for our speakers who prepare and share a story of encouragement and reflection with us and who prompt considered discussion in the small groups. We look forward to a new season of Connect at Night.

Our Women's Retreat in May was a great time of fun and connection with Jesus and with others.

Michelle Jackson Family Ministries Pastor

Men's MINISTRY

Our Men's Ministry piloted a new initiative last summer: The Zakar Discipleship Challenge. This 28-day intentional journey was designed to challenge and encourage men in their spiritual, mental, relational, and physical growth, helping them live with greater purpose and clarity.

The response from participants was encouraging. One man shared that "this challenge gave me even more motivation to continue [my spiritual practices] with greater purpose and intentionality." Another

participant's wife expressed her gratitude for the positive changes she had noticed in her husband and in their family life.

Through initiatives like the Zakar Discipleship Challenge, our Men's Ministry hopes to connect, encourage, and equip men as they grow into the men God created them to be.

Brendan Dick Associate Pastor

Lamplighters

Looking over the past year, we are grateful to God for His faithfulness and for everyone who contributed to the Lamplighters Ministry. We continued to grow strong with 50-70 people attending our monthly luncheons.

Each gathering has been a wonderful opportunity for our 55+ community to enjoy a catered lunch, worship together, and hear an encouraging speaker. We welcomed visitors to several of our meetings, and it has been a joy to see many of them return.

During the summer, our regular catering services took a two-month break, and we purchased sandwiches from Save-On-Foods. This was well-received, and reminded us that while the good food and speakers are

appreciated, the heart of Lamplighters is the community and joy of being together.

We are thankful for the many gifted people within the body of Christ at NSAC who are willing to share their experiences, wisdom, faith, and encouragement with our seniors. We have already lined up several speakers for the next months, and we look forward to these upcoming gatherings.

Our volunteers are the backbone of this ministry, and we are grateful for their faithful service. As we look ahead, we are praying for God's direction as we seek those who may be called to join the team.

Anita Doo & Gillian Muir

YOUNG Adults

Questions?! Questions have a way of probing the depths of our own hearts. When we learn to ask good questions, they can also open the door to deeper, more meaningful community with others.

Last June, twelve young adults headed to Whistler for a weekend campout centred around J.R. Briggs' book, *The Art of Asking Better Questions*. Throughout the weekend, we challenged one another to move beyond

surface-level conversation and ask thoughtful, intentional questions—of ourselves, of our faith, and of one another.

It was inspiring to watch our young adults lean in, become more vulnerable, and build genuine community as they explored what it means to follow Jesus together.

Brendan Dick Associate Pastor

Youth MINISTRY

This year, I've had the joy of seeing our youth ministry vision truly come to life as we've continued to invite the youth of the North Shore to experience Jesus' love in a fun, welcoming, and life-changing community! We've shared so much laughter and wild adventures while also learning together what it actually means to follow Jesus. From wacky games and events and an awesome youth retreat to our incredible year-end campout, there have been so many opportunities to connect, build community, and grow in faith. Woven throughout the year were teaching series such as Get Growing, exploring the fruit of the Spirit; Reputation, following the life of Daniel; Glow Up, studying 1 John; Delighted, tracing God's delight from creation to Christmas and salvation; Flipping Thru Philippians; and Can You Hear?, learning to

recognize Jesus' voice. Through these series, we watched students grow in their biblical knowledge and theological understanding while taking meaningful steps deeper in their faith -- including a couple of students who chose to be baptized! Another major highlight was our mission trip to Zambia, where our students served with courage, compassion, maturity, and joy. It was incredible to watch them put their faith into action, and build relationships across cultures. As we enter another ministry year, I'm thrilled to welcome many of these students back, while also prayerfully sending some beloved graduates into their first year of university. I'm so proud of the young people God is shaping and excited to see how He continues transforming their lives!

Megan Linton Youth Pastor

Preteens

MINISTRY

It has been amazing to see how God has been working in and through our preteens!

There were several preteens helping out at SummerJAM this year, and it was encouraging to see them lead and care for the younger jammers. They demonstrated a sense of ownership and responsibility in the way they showed up with enthusiasm each day that week.

It is moments like these that make my heart glad because it shows the kind of buy-in our preteens have at church when they are seen, known, and given opportunities.

Josh Carsola Local Mission Pastor

This year has been such a joyful and encouraging season for our Preteen ministry! We've seen wonderful growth, including record-high attendance, but even more importantly, I've loved watching these kids build friendships, ask thoughtful questions, and grow in their understanding of Jesus and His love for them.

As I finish my time leading NSA Preteens, I'm so grateful for the privilege of walking alongside these students. While it's bittersweet to step away, I'm excited to hand the ministry into Pastor Josh's care and see what God continues to do. I may be passing along the leadership, but I'm not saying goodbye to the fun or these incredible students. See y'all at the Amazing Race! (Psst... my team's totally gonna win!!)

Megan Linton Youth Pastor

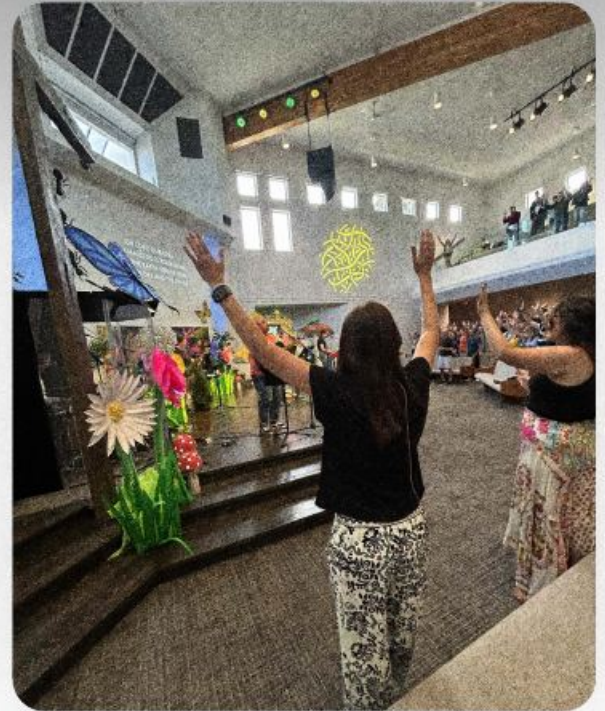

Children's MINISTRY

In Children's Ministry we have seen evidence of God's goodness in so many ways. Many Sundays we were welcoming new families with many returning quite regularly. Our volunteers are greatly appreciated and ensuring we have the right people in the right place each week takes considerable effort, and our team does it so well. We have been learning some old and New Testament stories, hearing about the life of Jesus, learning songs, playing games and making crafts that support the teaching each week. We also hosted two book nights for moms in the Children's Ministry and they have been a place of sweet sharing and connection.

Our SummerJAM weeks this year were another highlight of Children's Ministry and outreach.

We had 4 interns who were truly a fantastic gift to the children and to the team! The theme of the SummerJAM weeks was Magnified – discovering the greatness of God in the smallest of things. We had a total of 128 children signed up as participants of our two weeks of camp. Amazing weeks for joy and teaching the gospel. Naomi and Charlotte gave stellar leadership and execution to the camps once again and we are deeply grateful to them for the love they infuse into the work they do. The God stories from these weeks of camp encourage us so much, there are stories from the participants and from the leaders and from the families who drop off their children. We rejoice to be part of what God is doing through these camps!

Michelle Jackson Family Ministries Pastor

Worship Arts

MINISTRY

This past year has been such a blessing. One of my greatest joys has been hearing our congregation sing so wholeheartedly as we gather each week! I've also been deeply encouraged by our monthly prayer and worship nights, where singing together has become a meaningful part of our gatherings.

There has been much to celebrate this past year! Our Christmas Eve services were filled with joy as we sang carols celebrating the birth of our Saviour. Good Friday with The Way Church was a beautiful expression of unity as

we gathered to proclaim Christ together on the North Shore. Easter Sunday was another highlight as we celebrated the resurrection of Jesus, with the new 7 a.m. service providing a special opportunity to worship as the sun rose.

I'm grateful for Kristen Allen, who will serve as Interim Worship Arts Director this year. God has faithfully sustained NSA through every season, and I'm excited to see all He will continue to do!

Danelle Carsola Worship Arts Pastor

SMALL Groups

God has been at work in and through our small groups in many ways this year, creating opportunities for people to step forward in faith, serve one another, and trust His leading.

One of our small group leaders felt called to step away from their group and serve in another area of ministry. At first, no one felt ready to take on the leadership, and it seemed the group might have to disband. However, after a month of not meeting, the group came to a different conclusion: they didn't want to give up the community they had built together. Instead, they decided to share the leadership and

continue meeting each week. They committed to staying connected, sharing their lives, growing in their faith, and holding one another up in prayer. What could have been the end of a small group became an opportunity for the group to take greater ownership of their community and continue growing together.

Brendan Dick Associate Pastor

Outreach

It has been a great year for our local missions ministry. We saw many join our **Coffee Time** community, as well as growing engagement in the Wednesday afternoon service throughout the year! Notably, we saw a significant increase in those asking for prayer at the end of the service, while others joined the Bible study and sermon discussion group that followed.

At the beginning of the year, we introduced a translation service for those who struggle to follow along in English, allowing them to hear God's Word in their own language. We believe God has used this to open doors for people at Coffee Time to understand His invitation of friendship, and we've seen many take their first steps in their journey with Jesus. It has also been wonderful to offer translation on Sunday

mornings, with some Coffee Time participants starting to attend these services as well.

In January, we launched a new **English Language Learners (ELL)** group with seven participants initially. The group grew significantly, reaching nearly 25 people at its peak. Through the hospitality and kindness of our team, a genuine sense of friendship and community developed, and with our curriculum rooted in Scripture, we were able to share the hope and peace that Jesus brings with those who attended each week.

It has been incredible to witness discipleship taking place as God uses our ministry teams to demonstrate His love and kindness across cultural and language barriers.

Josh Carsola Local Mission Pastor

Financial

REPORT

FOR THE FINANCIAL YEAR ENDED JUNE 30, 2026

See the next pages for the Financial Summary. The following are some of the highlights:

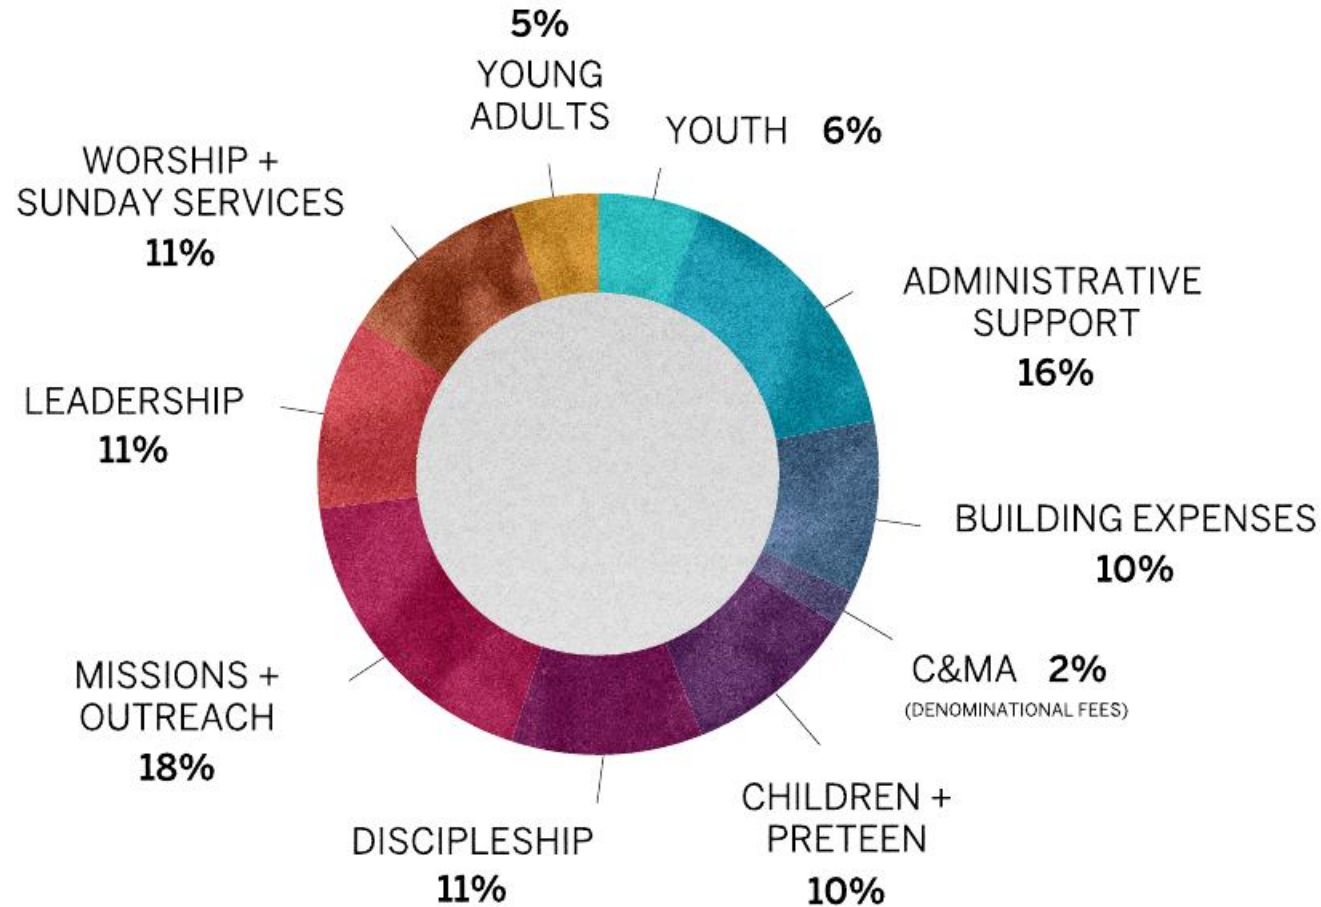

- Thank you for your continued commitment to support our ministries. We ended the year with a small deficit. We were able to continue to provide support to our communities and missionary needs. Our staff team was fiscally responsible and worked hard to spend only what was needed to provide planned ministries.
- We carried out the preventative HVAC system maintenance this year and added camera and sound equipment using funds reserved for capital improvements.
- Overall ministry spending in fiscal 2026 was higher compared to fiscal 2025 as we have a full staff team on board this year.
- Giving to the Care Fund and to missions and missionaries through NSAC was \$391,840 of total giving for the year. In addition to those funds, we raised an additional 13K to support the mission trip to Kenya that took place in the summer 2025 and \$51K to support the youth mission trip to Zambia in the summer 2026. It is our desire that our giving as a church continues to reflect NSAC's value of Missional Living.

Financial REPORT

- The Care Fund continues to allow NSAC to meet some practical needs of people in our congregation and community through grocery gift cards and support with expenses such as utilities, storage, medical & dental needs, and access to counselling. We provided \$70K in food gift cards this year, which was consistent to prior years.
- The NSAC Missionaries received the amount committed to them by The Missions & Outreach Team (\$13,500 monthly commitment). We encourage you to please support our Missions Fund, so that we can continue to meet these commitments in the upcoming year.
- Financial Statements reviewed by an independent accounting firm, Smythe, LLP, are available should you be interested in reading them.
- The fiscal 2027 budget with high level commentary is included after the fiscal 2026 financial summary and charts that follow.
- If you have any questions, comments or concerns regarding the finances at NSAC, please feel free to contact the Treasurer, Clive Harvey (cjharvey6@gmail.com).

NOMINATING
COMMITTEE

Report 2026

This past year, North Shore Alliance Church has been served by the following Nominating Committee Members: **John Leyland, Debby Stenson, Christine Yeager, Iain McGregor**, and **Rev. John A. Fortune**.

Each year, the Nominating Committee is tasked with discerning, on behalf of the membership, those whom God is raising up to serve on the Elders Board. Keeping in mind the biblical qualifications for elders, calling from God, spiritual gifts, ministry experience, connectedness to the life of our church, stage of life, and the time commitment involved, the committee spent time in prayer, discernment and interviews with potential candidates.

As a result, we are pleased to present the following nominees to serve a two-year term (October 2026 through October 2028):

- **Suzie Ratsch**
- **Colin Jackson**

NOMINATING COMMITTEE Report 2026

In addition, the following current elders have been interviewed, endorsed by the Nominating Committee, and have indicated willingness to serve another two-year term:

- **Dev Hildebrand** – returning to the board for another term; currently serving as the board chair;
- **Clive Harvey** – returning to the board for his last two-year term, currently serving as the board treasurer
- **John Elliott** – returning to the board for another term, currently serving as the board secretary

The 2026 Nominating Committee also brings forward the following nominees to serve as congregational representatives for the 2027 Nominating Committee: **Anne Thicke** and **Dave Pettigrew**.

Rev. John A. Fortune
Nominating Committee Chair

CONSTITUTION + Bylaws

VIEW FULL CONSTITUTION + BYLAW UPDATES —

nsac.bc.ca/agm2026

One item of business at the 2026 Annual General Meeting will be a vote to approve proposed amendments to the Constitution and Bylaws of North Shore Alliance Church. The proposed amendments are intended to align the church's governing documents with those of the Christian and Missionary Alliance Pacific District. Members are encouraged to review the proposed changes in advance of the meeting. Supporting documents are available on the church website, including the current Constitution and Bylaws, the proposed amended Constitution and Bylaws, and a brief presentation outlining the proposed amendments.

The resolution to be considered at the Annual General Meeting on October 18, 2026, is:

BE IT RESOLVED THAT the amendments to the Constitution and Bylaws of North Shore Alliance Church, as notified in advance to the members and presented at the Annual General Meeting of October 18, 2026, are hereby approved and adopted.

Vision

Clear, Deep + Wide

There is a growing sense of clarity about what God is doing among us and what he is inviting North Shore Alliance Church into next. At the centre is Jesus and the conviction that the work of the church is to help people become his disciples.

As I look toward 2027, I believe God is calling us to become an increasingly clear, deep, and wide church.

Clear about who we are and how people can find their place among us. With more than 500 people gathering on an average Sunday, and people regularly coming to faith, we want to make the pathway from guest, to belonging, to discipleship clear.

Deep in the way we make disciples. We want to become a community in which people are formed through worship, prayer, Scripture, community, service, and witness. In 2027, **Make Me a**

Disciple and an investment in young adults will give more intentional shape to that work.

And **Wide** in our welcome to those who are not here yet. We want to love the North Shore, strengthen local mission, raise up and send leaders, and become generous with whatever God entrusts to us.

Lord willing, the focus of 2027 will not be doing more, but becoming more faithful: clearer in our calling, deeper in our life with Jesus, and wider in whom we welcome and where we are sent.
